Why Choose St. Rose of Lima School?

Our Mission is to provide a Gospel centered education that empowers our students to become responsible and productive members of church and society.

St. Rose of Lima School is a special place. You see it in the faces of our students. You feel it in the enthusiasm of our faculty and staff. You hear it in the voices of our volunteers, and you experience it in the warm and welcoming embrace of our parent community.

In our school, students are motivated to do their best. We engage your children in learning to understand their gifts and talents, and build on their strengths to achieve success in their academic career. We work to inspire the confidence needed for students to take their places as compassionate leaders in our church, their communities and society.

Whether you are looking for your child to blossom in a nurturing preschool or kindergarten environment, or to challenge themselves academically in the elementary or middle school grades, St. Rose of Lima provides the faith-filled Catholic education your child needs to grow..

Preschool Begins the Journey to Grade 8

Our preschool is unique. We welcome young children to an eleven-year journey from being a 3-year-old to becoming an 8th grader poised and ready for high school. Nestled in our family-like environment, our children grow in faith, socialization, fun, and age appropriate learning. They acquire independence during guided play, group learning, and differentiated hands-on activities. Language blossoms during storytelling, writing, and letter recognition. Math integrates the daily calendar, counting, shapes, sequencing, and patterning. Science comes alive with planting “magic” seeds in the spring and exploring the weather, seasons, and hibernating animals. Children enjoy holidays of various

cultures during Social Studies units. Enrichment classes taught by our staff specialists in Art, Music, Physical Education, and Spanish enhance our program. Our preschoolers partner with older students in school-wide prayer experiences, special holiday activities, science adventures, and community events. We celebrate all of our students, and their unique and individual contributions to our school community.

Academics

Academically, we place well above the national average in testing. Our academics are second to none. Our certified teachers are models of innovation and professionalism using technology within their entire academic program. The Diocese of Trenton provides the curriculum, which is based on the New Jersey Core Curriculum content Standards with an infusion of Common Core Standards. Our graduates earn admission into the most selective high schools in New Jersey.

Faith, Family and Community

Children are faced daily with messages from today’s society that are contrary to our faith. St. Rose of Lima is an environment that is safe, nurturing and rooted in the Catholic faith, and has been since 1875. Through our service program, students are given the opportunity to put their faith into action as they are serving others.

Sports

Our school offers many opportunities for students of all ages to participate in competitive and non-competitive sports teams. The sports programs available are basketball, soccer, baseball, softball, volleyball, and cross country.

Special Services

Our school offers student support services, including Child Study Team Referral and Evaluation services, Supplementary Instruction, Speech and ESL Services and Language Arts and Math remediation provided through school funding, in accordance with NJ Chapters 192/193.

Extended Day Program (EDP)

We offer EDP for an hourly rate from 7:00 am to 7:30 am before school, and from 2:15pm—6:00pm after school. EDP provides a safe, caring environment for all students enrolled, beginning in preschool. Participants enjoy outdoor play, games, storytelling, homework time, snacks, and more.

Transportation

For those that qualify will pay parents aid-in-lieu.
